Further Information

I have been around horses for over 30 years now. Trimming has been a passion of mine since I was 14, I got into Duplos a few years back and really love what they can offer to horses versus steel shoes that I do not believe in. My ideal approach is to keep a horse barefoot if possible but when they need the extra protection / rehab Duplos have been amazing and my go to.

Unfortunately, I am currently unable to take on any new clients.
