Further Information

I grew up with horses in my family. Two of my aunts were show jumpers and my mom frequented rodeos with her Quarter Horses.

I personally grew up showing Arabians and currently have a young Arabian and a 10 year old National Show horse. I originally started using Duplo Shoes as an alternative shoe for clients that preferred the composite. I also prefer using them on younger horses and therapeutic cases for their all around support. The multiple resets I get out of them due to their durability is an added bonus.
