*Over 30,000 \$ in continuing education since my start as a barefoot trimmer in 2016

Specialties

I provide an evidence based, integrative approach to hoofcare. My education from both natural and traditional hoofcare methods provide custom solutions for each horse.

Region

Within an hour of Fergus Ontario

Further Information

I started my career as a barefoot trimmer with my own horse after a serious of poor experiences with local farriers and trimmers. I have a passion for analysing biomechanics and our influence as farriers on the horse well-being. I seek information from multiple hoofcare methodologies on order to provide the best service possible.
